## Call for Papers

The 2011 IEEE International Conference on Mechatronics and Automation (ICMA 2011) will take place in Beijing, China from August 7 to August 10, 2011. Beijing is both a tribute to China's proud history and a gateway to China's future. The capital city during the Liao, Yuan, Ming and Qing Dynasties, Beijing has long been the political, cultural, and diplomatic center of China.
